Dear Itzel Gonzalez,

I'm writing to you in behalf of the éditions Fayard, a renowned French publisher. Fayard is working on a book by Carl Aderhold, titled *Guerrières*, to be published in march 2024.

To this extent, is it possible for you to send us, as soon as possible, a High Definition and the price of those two images linked to this mail representing Amelia/Amelio Robles ? Both images are referenced by INAH, but I only managed to find the exact reference of one of the images. Here is its informations:

- **Name:** Coronela Amelia Robles revolucionaria, retrato
- **MID:** 77_20140827-134500:33492
- **CATÁLOGO:** 33492
- **URL :** <https://mediateca.inah.gob.mx/repositorio/islandora/object/fotografia%3A51814>

Can you also help me with the second image attached to this mail?

If this inquiry is met with a positive reply on your side, could you please make sure the following sentence will be written on your invoice?

“Acknowledgement of the transfer of the rights to use, reproduce and represent, for all kinds of editions, impressions, supports, either current or future (notably printed and digital) worldwide in French language, including any advertising or promotional needs of the work.”
